WORK EXPERIENCE

Product UX Designer — Aug 2025 - May 2026
Aphrodite Brands Group LLC — *New York, NY*

- Optimized e-commerce IA and product discovery, reducing task completion time by 20%.
- Owned end-to-end post-purchase UX flows, building reusable components to improve design consistency.
- Partnered with PMs on SEO content and Black Friday campaigns to strengthen customer engagement.
- Led B2B UX design across retailer-facing experiences and internal operations workflows.

Product Design Intern — May 2024 - Aug 2024
BNU Corporation — *New York, NY*

- Redesigned responsive web layouts across devices, reducing layout errors by 40%.
- Collaborated with engineers to implement multilingual navigation and localization for U.S. and Asian markets.
- Created landing page motion graphics and refined branding assets through stakeholder feedback.

Creative Instructor — Jun 2024 - Aug 2025
iD Tech Camps — *New York, NY*

- Mentored 80+ students in Adobe creative tools, guiding digital design projects from ideation to final delivery.

PROJECT HIGHLIGHTS

Product Designer | Post-Purchase Engagement for YNYG — *Aphrodite Brands Group*

- Conducted 8+ interviews and analyzed 5 competitors to identify tracking and customer support gaps.
- Launched a unified post-purchase hub through rapid prototyping, contributing to 32% more repeat orders.
- Aligned stakeholders on UX decisions and tracked post-launch performance, with 24% fewer support emails.

Interaction Designer | ByteDance Dreamina AI Collab — *ByteDance / TikTok*

- Designed gesture-based controls that let users shape sound and AI-generated visuals in real time.
- Improved interaction clarity, audiovisual sync, and gesture recognition through 9 rounds of prototype testing.
- Partnered with ByteDance PMs and cross-country teams to refine AI storytelling for public screenings.

Product Designer | YNYG B2B Wholesale & Operations — *Aphrodite Brands Group*

- Delivered a retailer acquisition and onboarding experience, helping secure 5+ retail partnerships.
- Simplified partnership inquiries, co-branding, and Faire ordering, contributing to 21% more wholesale orders.
- Tested an operations platform to reduce handoff friction between retailers, internal teams, and factories.
